

Berenberg and Goldman Sachs invite you to register for the

# NINTH GERMAN CORPORATE CONFERENCE

**Monday 21 – Wednesday 23 September 2020**

We invite you to join us in a virtual format for the Ninth German Corporate Conference, in which we look forward to delivering a full and comprehensive program, bringing together the most important companies listed on the German DAX, MDAX, SDAX and TecDAX to present their corporate strategy, current trends and challenges.

Running in parallel with the main presentations, companies will be hosting one-on-one and small group meetings, facilitated virtually. The program will run on Central European Summer Time.

Please review our current list of participating companies and visit the conference website to register. We encourage you to register by Wednesday 19 August.

Thank you for your understanding and engagement with this revised virtual conference program. This decision has been made in line with the precautions taken globally by both Berenberg and Goldman Sachs, to protect our clients and people.

We look forward to you joining the conference in September.
