Berenberg and Goldman Sachs invite you to Save the Date for the

# TENTH GERMAN CORPORATE CONFERENCE

Monday 20 – Wednesday 22 September 2021

The conference will bring together the most important companies listed on the German DAX, MDAX, SDAX and TecDAX to present their corporate strategy, current trends and challenges. Running in parallel with the main presentations, companies will be hosting one-on-one and small group meetings.

We are closely monitoring the public health situation and government guidance and we plan to host this event in the most appropriate environment to ensure the safety of all. An update will be announced in due course.

Further conference information and registration details to follow.
