

Berenberg Royalties Event

Berenberg is delighted to invite you to our **Royalties Event**, which will take place in our **London Offices** on **Tuesday 27th September** from **12:30pm**.

Royalties are a unique form of investment and, if accessed correctly, can provide a steady income stream protected from the volatility of the equity and bond markets.

Berenberg is pleased to welcome a variety of companies to discuss royalties and different ways to access this growing asset class. Management teams investing in mining, music, biopharma and franchise royalties will discuss how they access royalty streams, merits of these types of investment and what opportunities exist for investors looking at the space.
